

COMMENCEMENT SPEAKERS

Ethan Puckett, Valedictorian

Ethan Puckett will be attending Purdue University's School of Agriculture as a member of the inaugural class of the Honors College to study agricultural and biological engineering. As a student at Noblesville, Ethan was a member of the National Honor Society and was a National Merit Scholarship Commended Student as well as a six-year Senate Page program participant. Ethan was a three-year varsity lacrosse player, served as team captain his senior year, received an honorable mention for the all-conference team, and was named a member of the academic all-state lacrosse team. In the summer before his senior year, Ethan introduced the sport of lacrosse to impoverished children in the Dominican Republic while on a mission trip. He plans to return to the D. R. this summer to further his relationship with both the children and the missionaries there.

Olivia Murfield, Co-Salutatorian

In the four years that Olivia has attended Noblesville High School, she has participated in Key Club, National Honor Society, and TEAMS testing. She has been a member of the NHS women's soccer and track teams for all four years of her high school career. She is a National Merit Scholar Commended and has participated in a social marketing campaign to stop teen dating violence. In the fall, Olivia plans to study Biological Sciences at Butler University as a part of the Butler Honors Program. She would like to thank all her friends and family for all the love and support they've given to her over the years and her teachers for encouraging and challenging her to be the best student and person she can be.

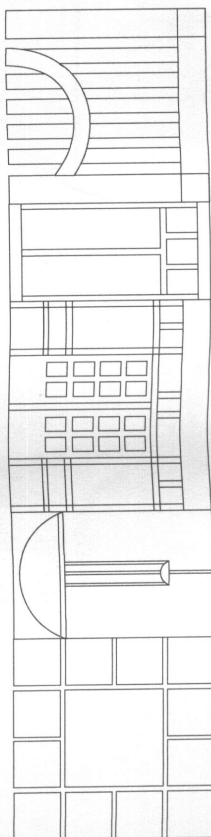

Zach Nichols, Co-Salutatorian

In his four years at Noblesville High School, Zach has participated in National Honor Society, Live2Serve, Noblesville's Balanced Calendar Committee, Hoosier State Science Fair, various recreational sports, and peer tutoring. But you might know him for his iPad application, ProSuccess, which our school's weight room has adopted into its daily routine. Zach will be attending Purdue University's Honors College to study Civil Engineering. He would like to thank God for his many opportunities, his family for its unwavering love and support, and his friends and teachers for their inspiration and motivation on even the toughest of days.

Tyler Brake, President

Tyler is the son of Kelly and Andrea Brake. During his time in high school, he played varsity football and discovered his enjoyment of golf. He participated in Spanish Club, Students Against Cancer, and Key Club as well as worked two jobs beginning sophomore year. During his senior year, Tyler served as President of National Honor Society and President of the Senior Class. Tyler plans on attending the University of Alabama Honors College to study Actuarial Science. He aspires to start his own actuarial consulting firm after college. Tyler would like to thank his teammates and family members for their support and encouragement.

NOBLESVILLE HIGH SCHOOL

Engage. Inspire. Empower.

One Hundred and Thirty-Eighth
Annual
